

## The Formula for Success

- Believe you can do anything you set your mind to
- Be confident in your abilities to succeed
- Realise your success is in your business numbers.
- Enjoy what you do
- Love learning
- Create the right environment conducive to positivity
- Be organised
- Learn to accept risks are a natural part of business life
- Always be 100% accountable for your actions.
- No excuses - the world doesn't care about your excuses
- Be action orientated
- Take calculated risks
- Make things happen
- Get mentoring especially in the early days
- Do what you say you will do, when you say you are going to do it at the price you have said you will do it for

None of this is rocket science but if you do the above, straight forward things you will automatically be in the top 20% of all businesses in the U.K (sad but true)
